Visual Asset Reference Sheet -- WD-001

GameNest Hub

Play. Compete. Repeat.

Primary logo lockup -- logo text set on the Deep Space background using the Neon Teal accent colour.

Logo Usage Notes

- The wordmark "GameNest Hub" is the only logo asset. There is no icon or symbol mark.
- Logo text is always rendered in the Orbitron typeface.
- On every page, the logo sits on the left side of the navigation bar in the Neon Teal colour (#00E5CC).
- The logo must always be displayed on a dark background (Deep Space #0D0F1A or Card Dark #1A1D2E).
- Do not apply gradients, shadows, outlines, or recolouring to the wordmark.

Typography

Two typefaces only. Both loaded from Google Fonts.

Display / Heading Typeface -- Orbitron

GAMENEST HUB / ALL GAMES

Used for: H1 headings, H2 headings, the logo text, and every game title. Nothing else.

Reference rendering above uses Helvetica Bold as a stand-in for Orbitron's geometric, squared letterforms.

Body Typeface -- Inter

Slide tiles and reach 2048. Play. Compete. Repeat.

Used for: paragraphs, navigation links, labels, buttons, form inputs, badges, and footer text.

Minimum body size is 15px with a line height of 1.6.

Reference rendering above uses Helvetica as a stand-in for Inter's humanist sans-serif letterforms.
